These materials contain business and strategic plans, nonpublic pro forma financial figures, due diligence findings, and information related to the supervision and examination of a regulated financial institution. Accordingly, this information is subject to withholding and will be withheld under exemptions 4 and 8 of the Act, 5 U.S.C. §§ 552(b)(4) and (b)(8). All reasonably segregable information will be provided to you, and the nature and amount of information being withheld from the 28-page powerpoint presentation will be evident from the face of the material being provided.

RULES REGARDING AVAILABILITY OF INFORMATION 12 CFR 261.22

SECTION 261.22—Other Disclosure of Confidential Supervisory Information

(a) Board policy. It is the Board's policy regarding confidential supervisory information that such information is confidential and privileged. Accordingly, the Board will not normally disclose this information to the public. The Board, when considering a request for disclosure of confidential supervisory information under this section, will not authorize disclosure unless the person requesting disclosure is able to show a substantial need for such information that outweighs the need to maintain confidentiality.

(b) Requests for disclosure.

(1) Requests from litigants for information or testimony. Any person (except agencies identified in sections 261.11 and 261.12 of this regulation) seeking access to confidential supervisory information or seeking to obtain the testimony of present or former Board or Reserve Bank employees on matters involving confidential supervisory information of the Board, whether by deposition or otherwise, for use in litigation before a court, board, commission, or agency, shall file a written request with the general counsel of the Board. The request shall describe—

(i) the particular information, kinds of information, and where possible, the particular documents to which access is sought;

(ii) the judicial or administrative action for which the confidential supervisory information is sought;

(iii) the relationship of the confidential supervisory information to the issues or matters raised by the judicial or administrative action;

(iv) the requesting person's need for the information;

(v) the reason why the requesting person cannot obtain the information sought from any other source; and

(vi) a commitment to obtain a protective order acceptable to the Board from the judicial or

administrative tribunal hearing the action preserving the confidentiality of any information that is provided.

(2) All other requests. Any other person (except agencies identified in sections 261.11 and 261.12 of this regulation) seeking access to confidential supervisory information for any other purpose shall file a written request with the general counsel of the Board. A request under this paragraph (b)(2) shall describe the purpose for which such disclosure is sought.

(c) Action on request.

(1) Determination of approval. The general counsel of the Board may approve a request made under this section provided that he or she determines that—

(i) the person making the request has shown a substantial need for confidential supervisory information that outweighs the need to maintain confidentiality; and

(ii) disclosure is consistent with the supervisory and regulatory responsibilities and policies of the Board.

(2) Conditions or limitations. The general counsel of the Board may, in approving a request, impose such conditions or limitations on use of any information disclosed as is deemed necessary to protect the confidentiality of the Board's information.

(d) Exhaustion of administrative remedies for discovery purposes in civil, criminal, or administrative action. Action on a request under this section by the general counsel of the Board shall exhaust administrative remedies for discovery purposes in any civil, criminal, or administrative proceeding. A request made pursuant to section 261.9 of this regulation does not exhaust administrative remedies for discovery purposes. Therefore, it is not necessary to file a request pursuant to section 261.9 to exhaust administrative remedies under this section.

(e) Other disclosure prohibited. All confidential supervisory information made available under this section shall remain the property of the Board. Any person in possession of such information shall not use or disclose such information for any purpose other than that authorized by the general counsel of the Board without his or her prior written approval.
