Subject Propositions d'amendements du texte de la Request for proposal RFPS - 1142 du 15/01/08

Cher Paul,

Merci de ton écoute.

Les propositions d'amendements que j'ai évoquées avec toi, sans les détailler au téléphone sont les suivantes :

1) page 7 § B2 serait-il envisageable de supprimer du texte initial les termes soulignés et d'introduire ceux en italique :

- Required Technical Submission :
 - o Contractors to list **"3" three** completed comparable construction within the past 5 years **where the vendor was the primary contractor. Each contract cited should have minimum value at least 50 million US dollars.**
- Technical evaluation criteria :
 - o Most similar projects would be construction **of military camps in peace keeping missions in Africa or in a similar austere field environment.**

2) page 4 § A2-a) ; pages 9 à 14 § C1-a) ; C2-a) jusqu'à page 14 D1-a), serait-il envisageable de supprimer du texte initial la formule « ... **service in a peacekeeping mission or in a similar environment** » et de la remplacer par l'expression « *service in*

a similar austere field environment »

Je suis à ta disposition.

Dans l'attente de tes commentaires et éventuelles propositions.

Bien amicalement

Eric
