

We propose writing to professional journalistic bodies which regulate the journalists concerned as well as letters to the Editors with copies to their Company's Legal Counsel. With regard to Inner City Press, we should also consider complaining to Google News (they host Inner City Press) regarding consistent inaccurate reporting.

Should DH gather sufficient examples of inaccuracies regarding the case, we should also consider responses such as "cease and desist" or "retraction" letters.

SINCE COMMUNITY STAFFERS

As a result of the recent outbreak of the Emergency Policy Team (EPT) of the Community Management Unit (CMU)...
