Chers collègues,  
C'est avec regret que je viens d'apprendre ce jour de l'administration MONUC ma mise en congé administratif jusqu'à nouvel ordre pour des raisons liées à ma prestation très engagée à la défense et aux droits du Personnel des Nations Unies au Bureau de la Fédération FUNSU DR Congo, ceci aura comme conséquence immédiate mon désengagement et suspension momentanée aux activités de l'enquête salariale en cours ainsi que toutes les activités similaires. Espérant que la situation se décantera au plus vite avec l'administration MONUC. Je vous prie de demeurer sereins, solidaires pendant ces moments difficiles et unis pour un lendemain bien meilleur. Entre temps je vous laisse entre les mains des différents OICs désignés pour les différents Bureaux et que Dieu Seul nous assiste.

Dear colleagues,  
Please be advised that MONUC administration has decided to put me in administrative leave starting this morning until further notice. This decision is related to reasons bound to my strong committed benefit to the defense as well as the rights of the Staff members within the Federation whereas I am acting as the Head of the Federation FUNSU DR Congo, this situation will have in progress like immediate consequence my disengagement and momentary suspension to the activities related to the ongoing interim Salary Survey as well as all similar activities. We are expecting to get this situation promptly diffused as soon as possible with MONUC Management. Therefore, I am hereby requesting that you have a peaceful stay also, you should keep serene atmosphere above all, united you should stand during these difficult moments expecting things will get much better in the future. Meanwhile, the different designated OICs will assist you. May God assist us.
