Excellency,

With reference to the draft Resolution circulated by the United States Mission to the United Nations, yesterday, on Sudan and South Sudan, I would highly appreciate if you would kindly consider the following initial observations of the Government of Sudan when discussing the draft resolution.

- *Regarding operative paragraph 4, we request that the word “**decides that Sudan shall accept the tripartite proposal**” be changed to “**calls on Sudan to accept the tripartite proposal**”*
- *Regarding operative paragraph 3, we will appreciate changing the wording of “**decides that the Government of Sudan and the SPLM-North**” be replaced by “**calls on the Government of Sudan and the SPLM-North**”*
- *Operative paragraph 9 to be deleted*
- *The time frames and bench marks addressed to both parties are very short and not practical; therefore there is a need to extend those timeframes.*

Please accept, Excellency, the assurances of my highest consideration.
