Subject: Your questions at noon on Kosovo

Date: Mon, 3 Mar 2008 2:56 pm

Any movement of trains south of Leshak by Serbian Railways is a clear breach of the 2003 Memorandum of Understanding between UNMIK Railways and Serbian Railways. This violation will not be tolerated. Border police, with the support of KFOR, will act to prevent these trains traveling south of Leshak.

The Kosovo Police Service is investigating the shots fired in Mitrovica.
