Hi -- We haven't yet sent anything -- Susan and I discussed again Friday evening and decided that less is better at the moment. We're working this morn on a short note that would top the emails fm the Hill staffers with a very brief summary of the situation. Glad to chat again with you, but probably best to let us come up with a draft first.

Jeff, Paul or Susan, Can we please get a copy of what was finally sent to Board members regarding the Inner City Press situation? If nothing has gone, do we need to discuss where this stands? We'd prefer no further surprises today, especially if Board members haven't heard back regarding the situation. Let us know if you need anything from us. Thanks, Barbara
