Emergency General Meeting of Staff

Tuesday, 27 November 2012

*11:00 a.m. to 12:30 p.m.
Conference Room 2 (NLB)*

Agenda

Implications of the Secretary-General's budget proposals for staff at UN Headquarters

- The Secretary-General has instructed his managers to find ways to cut the budget and reduce programme support costs. Some departments and categories of staff will be more affected than others.
- One thing is certain, all staff should be concerned. While proposals are in the preliminary stages, outsourcing and off-shoring of jobs are being discussed.
- The Secretary-General and his senior managers have been invited to this meeting (see attached open letter) to brief the staff and answer your questions.
